Horse History

This section allows us to get an idea of any physical issues your horse may have or have had in the past, even though it may not seem important now, it may still be impacting the way your horse goes under saddle, so the more information you can provide, the better!

Has the horse had any lameness or injuries, including any notable health injuries or behavioural issues? Have they been resolved or are they still ongoing?

Date of Last Farrier Visit & Farrier Name

Date of Last Dentist Visit & Dentist Name

Date of Last Saddle Fit & Fitter Name

Date of Last Bodywork Treatment & Therapist Name

When was your horse last seen by a vet & why?

Do you have any current ridden issues with the horse? This may include difficulty on one rein, strong when hacking, the horse finds it hard to lower head etc.

Please describe your horse's housing and daily management i.e. turnout time, stabled arrangements etc.

Does the rider of the horse have any issues or injuries which may affect the horse under saddle?

What are your goal's for the horse i.e. training or competing?

Current Tack Set Up

Please use this section to let us know the type of tack your horse is currently ridden in, any issues you have and if there is anything that you particularly like and wish to keep the same.

Have you had a bit/bridle consultation previously? If so when?

Please provide details of current bits used including brand, size and type.

Please provide details of your current bridle including brand, size and design.

Do you use any artificial aids i.e. Martingale, Draw Reins etc.

What would you like to change/improve about your current bit and bridle set up?

Anything else you would like to let us know about your horse?

Upload Images

Please include images of your horse with the current bit and bridle set up, this helps us to make sure we have all the relevant items and sizes of demo stock available for your horse to try during the consultation. Please include ridden video's showing any current ridden issues.
